

# Teeny's Cottage

## Directions and address

The Isle of Skye is located off the North West coast of Scotland. As a rough guide, it is a four hour drive from Glasgow to Kyle, and the Skye Bridge, or about a two and half hour drive from Inverness airport to the Skye Bridge and then one hour from the bridge to us. There are no tolls on the Skye Bridge.

After crossing the Skye Bridge **turn right** at the roundabout onto the **A850**.

Follow the main road all the way to **Portree** (about 45 minutes).

Just before going into the **Portree** town centre, take the **left fork towards Uig** (still on the **A850**)

After about **4 miles** take the **left fork towards Dunvegan** staying on the **A850** (do not carry on towards Uig).

Drive for about **7 miles** where you will pass a horse riding centre at **Suledale**.

Stay on the main road going up the long hill and down the other side.

You will see the sea off to the right and **Teeny's Cottage** up on the bank to the **left**,

A white sign with a blue symbol saying **Fasgadh** and Teeny's Cottage is also on the bank.

You will also see a white conservatory on the front of our house.

If you go past the 'Fanks' turning on the right, you have gone too far.

Come up our drive and go past our house turning right up to Teeny's Cottage please call at our house upon your arrival to collect your key.

### Satellite navigation notes

If you use satellite navigation, they will often suggest coming via the ferry from Mallaig.

Unless you want to use the ferry, ignore the command and come to us via the Skye Bridge at Kyle of Lochalsh.

When you are within half a mile of us, some navigation systems suggest turning right onto an unmade road, ignore this as it is the old main road now used as a footpath. Stay on the main road; we are at the bottom of the hill up on the left bank.
